H2OIL DEEP FRYER

H2OIL FILTRATION

APPLICATION

A commercial deep fryer with all-in-one comprehensive, and yet simple operation on cleaning and to maximize oil life by using our one-of-kind H2Oil Filtration System, perfect for high productions. SAPIDUS UG (LNG or LPG gas) model fryers with the patented Metal Fiber Burner Technology. The metal fiber combustion surface method provides fast recovery of oil temperature at the lowest gas consumption to cook variety of food products and keeping its intended tastes.

STANDARD FEATURES

- Filtration system accommodates all UG-1100 types
- 5 Pre-set timers and temperature memories on every PCB digital control (NEW)

GAS FRYER	UG-1100 (LNG)
BTU/H	48,700 BTU
BURNER STRUCTURE/ IGNITION SYSTEM	METAL FIBER BURNER/DIRECT IGNITION
CO / CO ₂	<3PPM / 13.8%
OIL CAPACITY	28-32 LITER/7.4-8.5 GALLON
WATER CAPACITY	6 GALLONS
DIMENSION (WxDxH)	15.5 X 27 X 47 (IN.)
POWER	120V / 1 PH / 20 AMP / 60 HTZ
TEMP. RANGE	122 ~ 390 °F

STANDARD FEATURES (Cont'd)

- Patented Built-in H2Oil Filtration System on every model (No paper or fabric filters required)
- Patented Metal Fiber Burner Technology on every model
- Tamper proof glass front on the bottom tank for easy visibility and accessibility
- Separate draining valves for water (water, residue, fat) and cooking oil (with "L-Shape" draining pipe)
- The high-quality System Usability Scale (sus304) stainless steel used in all area. Total weight of 154 lbs.
- 60 lbs. frying compound capacity on UG-1100
- Top-of-the-line gas pressure regulator and blower
- Stainless steel tank cover & single basket lift (2)
- One year limited parts & labor warranty
- 5 year limited fryer tank warranty

ACCESSORIES (Sold Separately)

- Side Tilted Tray (for draining access oil and for cooling)
- Stainless Steel Splash Guard
- Joining Strip (side-by-side of two fryers) for security and space-saving
- Heavy Duty Micro-Particle Strainer (inside the tank above the burner)
- Food Separator Sliding Screen (when using open vat)

RECOMMENDED OPTIONS (Sold Separately)

- Heavy Duty Basket Hanger Guard (NEW)
- Heavy Duty Basket Shake Plate (NEW)
